

# Alternative Heating

## Sources...

### Beyond The Baseboards.....

The weather is changing and it's getting cold. Time to come inside and **warm up!** Join us for an educational evening sponsored by NKBA AK Chapter and the Cronin Company. Local experts will explore three different alternative heating sources for the home. Presented will be, **in flooring heating systems, on demand water heaters** and **fireplaces**. This could be the ticket to helping your clients home feel like paradise inside!
