Les Petrie, CMKBD started his design career while selling diagnostic imaging equipment in Pittsburgh, Pennsylvania. In 1986, he purchased Mother Hubbard's Custom Cabinetry. Petrie soon earned his credentials as a CKD and CBD and was one of the first 50 CMKBDs. He has held nearly every officer position at both the chapter and national level and led the NKBA as national president in 2003. Petrie continues to write for local magazines and contributes to publications across the US.

Please see the attached **registration form** for more information and registration details. Also, please note our new **registration procedure**.

Please contact **Jeanine Anderson** with any registration questions. Please contact **Shad Johnsen, CKD** with any questions regarding this meeting.
